Land Registry
Transfer of portfolio of titles (whole or part)

TR5

Any parts of the form that are not typed should be completed in black ink and in block capitals.

If you need more room than is provided for in a panel, and your software allows, you can expand any panel in the form. Alternatively use continuation sheet CS and attach it to this form. This form should only be used where the same transferor transfers **all the titles** to the same transferee.

Enter 'U' in column 1 if the land is unregistered.

In column 2 enter 'W' for a transfer of whole of a registered title, or 'P' for a transfer of part of a registered title. Leave blank if the land is unregistered.

Insert address including postcode (if any) or other description of the property, for example 'land adjoining 2 Acacia Avenue' in column 3. For transfers of part you must either attach a plan and state the reference used to identify the land transferred, for example 'edged red' or refer to an existing reference on the transferor's title plan. Any attached plan must be signed by the transferor.

In column 4 include information that cannot conveniently be included in another panel, such as whether the title is freehold or leasehold, apportioned consideration, differing title guarantees.
