ACTION 5	Timo to investigate alternative internet services and report to CMC
ACTION 6	Shidaa to undertake research regarding installing solar panels
ACTION 7	Simon to investigate cost of installing a communal aerial and satellite dish

The Courtyard Management Company (CMC)

1. MINUTES OF LAST MEETING

Review of minutes from last meeting and actions outstanding. Improvement of surface under arch will be carried out in 2018, Simon agreed to move his shed from CMC land before the next AGM. All other actions were complete.

2. FINANCE AND BUDGET REVIEW 2017

Ian Woodland noted accounts were circulated before the meeting and listed total expense, savings, previous underspend and amount in sinking fund. CMC will need to renegotiate the road contribution in 2018 and a revaluation of the Farmhouse for Insurance purposes will be sought in 3/4 years. Everyone in attendance were happy with the budget and level of detail and clarity provided.

VOTE 1: To retain the CMC 2017 underspend in the contingency fund for 2018 was unanimously approved

3. REVIEW AND AGREE BY VOTE BUDGET FOR 2018

Ian Woodland presented the budget, which was also circulated before the meeting. A new fund of £150 for events was proposed. All present voted in favour of the budget. Ian Morrison acted as proxy for Eileen Davis and Ian Woodland acted as proxy for Leah Queripel.

Ian Woodland reminded all of the Management Charge payment options:

- Payment in full by the end of January
- Payment of half by the end of January and the remaining by standing order over the 10 months - March to December
- Payment by standing order over the full 12 months of the year [Standing Order for January 1st to December 1st inclusive]

VOTE 2: The 2018 budget proposed was unanimously approved

ACTION 1: CMC to send invoices to members for the 2018 management charge

4. THAMESIDE DEVELOPMENT AND BIO-FILTER

Ian Morrison fed back from a meeting with Thameside attended by all CMC directors. Thameside responded to concerns raised in the consultation and undertook to keep residents informed of its activities.

5. BIO-FILTER & THE COTTAGES

Costs were recovered from 6 of the 7 cottages. The outstanding cottage will be approached and invoices will be issued for the 2017 charge in the New Year.

ACTION 2: Issue Bio-Filter invoice to cottages for 2017 charges

6. TREES

Ian Morrison noted that residents are responsible for trees in their properties and need to ensure they are safe.

ACTION 3: CMC to circulate link to last survey and tree map, and remind residents to maintain their trees

7. GARDEN WASTE DISPOSAL & BINS

Ian Morrison reminded all that the waste bins cannot be used to dispose of garden waste, including leaves, as this is not allowed by the council and would overrun the bins. Similarly, Xmas trees should not be disposed in the bins. It was noted that Graham should be asked not to dispose of grass cuttings on site (namely behind the substation next to Emily's garden). It was also requested that Courtyard residents use the two bins at the front car park because the bin at the rear car park is often over-flowing. It was also noted that the farmhouse bin has a hole and needs to be replaced.

8. SITE MAINTENANCE

Ian Morrison commented that there are several maintenance issues relating to the Farmhouse, these include replacement/repair of post holding up the canopy to the front door, replacement/repositioning of 3/4 missing/slipped tiles on the roof, the soffits require maintenance/replacement and render needs painting.

In addition work is to be undertaken to improve the ground below the entrance to the archway.

ACTION 4: Repairs to be organised and carried out in 2018 to the entrance of the archway to the courtyard and farmhouse items as listed.

9. INERNET ACCESS

It was noted that there would be a need to ensure Village Networks remains operational throughout the Thameside development. Timo undertook to investigate alternative services and report to CMC.

ACTION 5: Timo to investigate alternative internet services and report to CMC

10.NEXT MEETING

It was agreed that the next and *all future* AGM meetings will be held of the 2nd Sunday of December each year.The CMC Christmas party will be held on the 1st weekend in December of each year.

Many thanks to Emily

11.CMC RESIDENTS CONTACT DETAILS

Ian Woodland reminded residents that it is *the residents* responsibility to ensure CMC has their correct and up-to-date contact details.

12.CMC ACTIVITIES

An activities budget of £150 was approved for decorations, at £50 per event. Any underspend will go towards food for the activities.

Any Other Business [AOB]

13.AOB1 – SOLAR PANELS

Shidaa asked if there had been any attempts to install solar panels and undertook to do research and report at the next AMG

ACTION 6: Shidaa to undertake research regarding installing solar panels

14.AOB2 – COMMUNAL AERIAL & SATELLITE DISH

Simon undertook to investigate the cost of installing a communal aerial and satellite dish and report at the next AMG.

ACTION 7: Simon to investigate cost of installing a communal aerial and satellite dish

Meeting End: 21.00
