IMPORTANT NOTICE - Please read carefully

The following information is in relation to the Blocks of Flats Insurance you have asked us to arrange

In respect of the Property Insurance

Capacity in which we are acting
We act as your agent in sourcing a suitable policy, advising you on your insurance arrangements and placing the cover. This gives you reassurance that your policy which we have recommended is both the most suitably priced and best cover available for your needs.

We have a delegated authority agreement with insurers whereby we may bind cover and issue policy documentation. We will be acting as agent of the Insurer when carrying out these functions. In short this means that we are able to arrange cover of your Insurance policy and issue the full policy documents on the same day. Under normal circumstances documentation from Insurers can take up to 4 weeks to be issued.

We have a delegated authority agreement with insurers whereby we have authority to settle claims up to a specified amount on behalf of insurers and will be acting as their agent in dealing with these claims. This facility ensures that in the event of a claim, the whole process is looked after by us including issuing of your payment, so providing a speedy resolution.

How we made our selection
Our search for a product to meet your requirements has involved a limited number of insurers. We would be happy to discuss with you the scope and outcome of our search. You can ask us, at any time, for a list of insurers we use.
Our specialist knowledge of the market and buying power means that we are able to negotiate little extras that make our insurance products unique.

Premiums
We hold client money as agent of the insurers under risk transfer agreements. In terms of these agreements all premiums received from you, all refunds due to you, as well as claim payments due to you are held as agent of the insurers. This means that once your premium has been paid to us it is deemed to have been paid to the insurer. Insurers also remain responsible for all refunds and claim payments due to you until we have paid this to you.

Our remuneration
You are entitled, at any time, to request information on how we are remunerated as a result of placing your insurance business.

Endorsements / Clauses
Please ensure you read any endorsements or clauses which are enclosed as they may require you to take certain actions within specified timescales. If you fail to comply with any actions set out in any attached endorsement(s), clause(s) or anything within the policy then your Insurer may not be liable to pay any claims and, in certain circumstances, your policy could be cancelled from inception. If you are unable to comply with anything which is detailed within the policy documents please contact us straight away.

See our website www.deacon.co.uk for a full range of insurance products to help protect you.

Statement of Fact for Blocks of Flats Insurance

This Statement of Fact is a record of the information you have provided to us and on which your policy will be based.

You must check all the information on this form immediately and advise us if any details are incorrect. As insurers rely on this information, if there are any errors you may find that your insurance is invalidated and any claims not paid.

You must advise us if any of these details change.

You are under a duty to disclose to insurers all Material Facts - these are facts that are likely to influence an insurer in the assessment of the risk, whether they will accept it and on what terms, so you must provide complete and accurate information to the insurers; when you first take out the cover; throughout the life of the policy and when you renew your insurance. This is not limited just to the questions on this form but includes any other information that may be relevant.

If in doubt as to whether information is a Material Fact, please contact us.
