Hi Ian,

Can you confirm that I can authorise renewal of the Farmhouse Buildings/Public Liability Insurance policy in line with the quotation attached to my email of 11th April.

Once you let me have this confirmation I will email CMC's Brokers accordingly and let you have payments instructions re the premium etc.

Thanks.

Ian

Subject: Farmhouse Insurance

Hi Ian,

I have over the last week or so been discussing and reviewing on behalf of CMC the renewal of the insurance cover re the Farmhouse Building (paid by the 4 owners of the apartments in the Farmhouse) and the Property Owners Liability (paid by all 14 of us) and included in the annual budget.

As with most insurance cover the premiums have increased but only by a relatively modest sum :-

	2024	2025
Ins Prem.	£1560.47	£1622.56
I.P.T. -12%	£ 187.26	£ 194.71
U/W fee	£ 25.00	£ 75.00
Broker fee	£ 40.00	£ 45.00
Total	£1812.73	£1937.27

I have calculated the premiums accordingly:-

Buildings Prem. (incl. of IPT) - £1522.00 - (£1463.28 - 2024)

Property Owners Liability (incl. of IPT) - £295.27 - (£284.45 - 2024)

Total - £1817.27 - (£1747.73 - 20240)

To which must be added fees of £120 - (£65.00 - 2024)

Grand Total - £1937.27 - (£1812.73 - 2024)

Now the split as to who "pays for what":-

Buildings - Leaseholders - £1522.00

Fees - £120 - split 50:50 (ease of calculation) - £60.

Therefore invoice to each leaseholder - £380.50 + £15 = £395.50.

Sum met from CMC annual budget - £295 -27 + £60 = £355.27

In view of the time spent I hope all the above makes sense!

We need to send an electronic bank transfer in respect of the total Premium - £1937.27 on Monday/Tuesday of next week (policy expires 18th April).

If you want to discuss call me and I will "pop round."

Thanks.

Regards.
