Description	Quantity	Unit Price	VAT	Amount GBP
Liscombe Park - Bollard Lighting Repairs and Alteration Provide labour to find fault with bollard lights, found two fittings had been filled with ants nests which covered the cabling and caused the lights to trip. Cleaned out both fittings. Then installed new Main switch and four RCBOs (circuit breakers with individual RCD protection) and a two gang double pole switch to separate front and back lights in case of future problems.	1.00	692.28	20%	692.28
