DIRECTORS' REPORT AND FINANCIAL STATEMENT
FOR THE YEAR ENDED 31 MAY 2014

The directors present their report and financial statement for the year ended 31 May 2014.

Principal Activities

The company is the management company for the 14 residential units which comprise The Courtyard, Rock Lane Farm, Liscombe Park, Soulbury LU7 0GY. The company is still effectively dormant pending completion of the transfer to it of ownership of the communal land areas adjacent to the residential units and the Farmhouse building by the original developer Thameside Construction Limited. The process advanced during the year culminating in Legal Mediation meetings in October 2013, which agreed final arrangements and settlement of outstanding financial issues between the parties. However subsequent discovery of numerous legal flaws in Thameside's title documents led to further postponement of the final transfer pending resolution by Thameside of the many title discrepancy issues arising. This work is ongoing. The company's transactions during the year related to ongoing maintenance costs, further legal work incurred in respect of the transfer and other costs arising from the partial handover of responsibility for the Farmhouse building and communal insurances.

Notes on the Financial Statement

The company does not engage in any commercial trading activity and its income is derived from annual management charges paid in equal amounts by the residents who are the members and shareholders of the company and bank interest on the same. During the 2013-14 financial year, the residents paid their agreed annual charges together with a one-off supplementary charge per unit agreed in relation to settlement of the outstanding financial issues as part of the Mediation agreement with Thameside. The largest item of expenditure was a one-off payment of £10,250 paid to settle all outstanding maintenance related costs for the period 2007-13 claimed by Thameside as part of the Mediation settlement. Fees for the Mediator of £425 added to this cost. The company also agreed with Liscombe Park Limited, owners of the adjacent estate and suppliers of the water supply, a new arrangement to pay water charges as an aggregate sum and claim reimbursement of these from the individual owners. The Profit and Loss Account shows a Profit for the year of £1,238.18. The Balance of funds held in the Company's bank account on 31 May 2014 was £7,454.60.

The company has a share capital of 30 x £1 shares of which 14 have been issued as one each to the 14 owners of the residential units.
