Credit Interest is calculated daily on the cleared credit balance and is paid monthly if applicable (this is not paid on all accounts, eg, Basic Bank Account, HSBC Passport, Bank Account and HSBC Advance). Debit interest is calculated daily on the cleared debit balance of your account, it accrues during your charging cycle (usually monthly) and is deducted from your account following the end of your charging cycle.

The following references regarding debit cards only apply to personal customers, commercial customers please refer to your terms and conditions.

Your debit card

Using your card abroad

General: The exchange rate that applies to any foreign currency debit card payments (including cash withdrawals) is the wholesale market rate used by VISA applying on the day the conversion is made plus our foreign exchange charge, which is currently 2.75% of the applicable VISA wholesale rate. We will make the conversion and deduct the payment from your account once we receive details of the payment from VISA, at the latest the next working day. Details of the current wholesale market rates can be obtained by calling us on the usual telephone numbers.

Cash Machines: There is an ATM transaction fee currently 2% (minimum £1.75, maximum £5.00) for withdrawing cash at cash machines overseas. HSBC Advance and HSBC Premier MyAccount customers can make withdrawals at cash machines overseas free of ATM transaction fees from HSBC and will therefore not pay this fee. We will deduct the amount of the transaction fee from your account once we receive details of the payment from VISA at the latest the next working day. Some cash machine operators may apply a direct charge for withdrawals from their cash machines and this will be advised on screen at the time of withdrawal.

Shops and retailers: There is no transaction fee for using your debit card to pay for goods and services overseas.

Interest

Credit Interest is calculated daily on the cleared credit balance and is paid monthly. Debit interest is calculated daily on the cleared debit balance of your account, it accrues during your charging cycle (usually monthly) and is deducted from your account following the end of your charging cycle.

For Jade by HSBC Premier Bank Accounts and HSBC Premier Bank Accounts overdraft interest charges include arranged and unarranged overdraft interest.

Overdraft Service

For HSBC Premier customers, the first £500 of any overdraft is provided free of interest.

Before we deduct debit interest we will give you at least 14 days notice of the amount to be deducted.

If you are switching your banking to us we will not charge Fees or debit interest on the entire debit balance of your account for up to three months if you have used our switching service.

Effective from 1 August 2017

Monthly cap on unarranged overdraft charges

1. Each current account will set a monthly maximum charge for:

- (a) going overdrawn when you have not arranged an overdraft; or
- (b) going over/past your arranged overdraft limit (if you have one).

2. This cap covers any:

- (a) interest and fees for going over/past your arranged overdraft limit;
- (b) fees for each payment your bank allows despite lack of funds; and
- (c) fees for each payment your bank refuses due to lack of funds.

The monthly cap on unarranged overdraft charges for the HSBC Premier Bank Account is £500 and for the Jade by HSBC Premier Bank Account is £2,000.

In order to reach the monthly maximum charge limit, based on current interest rates, you'd have to be over your arranged overdraft limit by more than £50,000 for HSBC Premier and £230,000 for Jade by HSBC Premier for a full charging month.

The introduction of the Monthly Maximum Charge will not affect any charging period that ended prior to 1st August 2017. Any notification of charges that are generated on or after 1st August 2017 will incorporate the new Monthly Maximum Charge cap.

Debit cards

UK currency cash machine

You can use your debit card to make cash withdrawals in Euros or US Dollars from some of our self-service machines. The HSBC prevailing exchange rate and the amount of currency you will receive and the Sterling amount will be shown on the screen. The amount of the cash withdrawal converted into Sterling will be deducted from your account balance immediately.

Using your card abroad

When you use your card abroad, your statement will show where the transaction took place, the amount spent in local currency and the amount converted into sterling. We also monitor transactions to protect you against your card being used fraudulently.

Unless you agree that the currency conversion is done at the point of sale or withdrawal and agree the rate at that time, for example with the shopkeeper or on the self-service machine screen, the exchange rate that applies to any non-sterling debit card payments (including cash withdrawals) is the VISA Payment Scheme Exchange Rate applying on the day the conversion is made.

For non-Sterling (foreign currency) transactions we will charge a fee of 2.75% of the amount of the transaction. This fee will be shown on a separate line of your statement as a 'Non-Sterling Transaction Fee. Details of the current VISA Payment Scheme Exchange Rates can be obtained from the card support section of hsbc.co.uk (UK customers) or ciom.hsbc.com (Channel Islands and Isle of Man customers) or by calling us on the usual numbers. We will deduct the payment from your account once we receive details of the payment from the card scheme, at the latest, the next working day.

Overseas cash machine withdrawals made with your HSBC Premier Visa Debit Card do not incur a non-sterling cash fee from HSBC. Some cash machine operators may apply a direct charge for withdrawals from their cash machines and this will be advised on screen at the time of withdrawal.

Recurring Transaction

A recurring transaction, sometimes called a continuous payment authority, is a series of payments collected with your agreement from your card by a retailer or supplier (for example, insurance cover). This is an agreement between you and the retailer. The Direct Debit Guarantee does not cover these transactions. If you wish to cancel a recurring transaction you can do this with the retailer or us. We can cancel the payment, however contacting the retailer allows you to also deal with the agreement you have with them and you can make other arrangements for the payment or cancellation of the goods or services. If you cancel with the retailer, we recommend you keep evidence of the cancellation. Once you have cancelled with the retailer or us, if the retailer does try to collect any future payments under the recurring transaction agreement, we will treat these as unauthorised. If we miss any of the cancelled transactions, please contact us.

Dispute resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.

The Financial Ombudsman Service does not apply to customers of our branches in the Channel Islands and Isle of Man, but you could be entitled to refer your complaint to the Channel Islands Financial Ombudsman in Jersey or Guernsey or the Financial Services Ombudsman Scheme in the Isle of Man. Please contact your branch for further details.
