CMC - The Courtyard Management Company

We have now been able to confirm all the costs incurred with the operation of the Bio Filter for 2017. Please find enclosed above your annual invoice for your property's share of the Bio Filter to which your property is connected. There are 21 properties connected to the biofilter in total and yours is a 1/21st share of the cost of maintaining/servicing this facility for last year **2017**.

Be aware that Bio Digesters' working parts i.e. pumps etc. do have a limited life span so **at some time in the future** there will be additional costs as and when replacing expensive parts becomes necessary on top of the servicing charges above.

We propose to correspond with you by way of email and shall be grateful if you will let us have your email address for this purpose, and keep us up to date of any changes to your email. CMC's email address is **cmcdirectors@hotmail.com**

A copy of the above invoice is also available on the CMC Bio Filter Portal. You will also find servicing documentation and all invoices that make up all Bio Filter costs for the previous year[s]. There is also previous correspondence from Thameside Homes Limited outlining your legal obligation as regards to paying your properties equal share of all biofilter costs:

Please pay your Bio Filter Charge **electronically** into the CMC bank account **by the end of September 2018**. The CMC will not accept cheques or cash as payment.

Can you please use a reference to identify who the payment has come from e.g. No.3 BioFilter.

Any questions/queries, please contact us.
