Question	Answer	Topic
Do you hold a copy of the Seller's Share Certificate	CMC does not issue Share Certificates but the 14 shareholdings are registered with Companies House and any changes are noted on the register at the time of the Annual Return each year which takes place in May. CMC will confirm the change of shareholding by counter-signing the Deed. The signing of the Deed of Covenant and issuing of the Certificate confirming compliance of the previous owner is how the change of ownership of the share is transacted.	Share Certificate

CMC Bio Filter

Questions & Answers

Last Updated 19 November 2021

Question	Answer	Topic
Location and access	The biofilter does not sit within the boundary of any of the residential properties which use it. The bulk of the system sits on management owned land and part sits on neighbouring land. This is accessed as per a deed of covenant that gives the CMC rights of access for repairs etc. [See sheet 4 for location map]	Location & Access
How many properties are connected to the bio filter	22	Capacity
What arrangements are in place with respect to maintenance, repair and emptying costs	Maintenance and emptying are carried out regularly throughout the year. Repairs are carried out as needed. The CMC charges its 14 management company holders (The Courtyard residences) and 8 separate properties (Rock Lane Farm residences) to cover all bio filter incurred costs. The Rock Lane Farm properties are charged 1 year in arrears for accuracy and transparency of costs.	Maintenance
