

	2024	2025
Ins Prem.	£1560.47	£1622.56
I.P.T. -12%	£ 187.26	£ 194.71
U/W fee	£ 25.00	£ 75.00
Broker fee	£ 40.00	£ 45.00
Total	£1812.73	£1937.27

I have calculated the premiums accordingly:-

Buildings Prem. (incl. of IPT) - £1522.00 - (£1463.28 - 2024)

Property Owners Liability (incl. of IPT) - £295.27 - (£284.45 - 2024)

Total - £1817.27 - (£1747.73 - 2024)

To which must be added fees of £120 - (£65.00 - 2024)

Grand Total - £1937.27 - (£1812.73 - 2024)

Now the split as to who "pays for what":-

Buildings - Leaseholders - £1522.00

Fees - £120 - split 50:50 (ease of calculation) - £60.

Therefore invoice to each leaseholder - £380.50 + £15 = £395.50.

Sum met from CMC annual budget - £295.27 + £60 = £355.27
