

Leaseholder Disclosure Information

This information is provided to meet the Disclosure requirements for multi-occupancy buildings. This must be provided to the property owner (freeholder), property managing agent, or other relevant third party, post conclusion of the contract, with instruction to provide this information, in addition to all other relevant disclosure requirements promptly to leaseholders.

Alternatively, the information can be provided to the relevant party, as part of another document, however where this is the case the information must be transposed accurately and in full.
