**Please see the following page[s] for payment instructions**

## CMC - The Courtyard Management Company

Now that all required invoices have been received and processed, please find enclosed above your annual invoice for your property's share of the Bio Filter to which your property is connected. There are 22 properties connected to the biofilter in total and yours is a 1/22<sup>nd</sup> share of the cost of maintaining/servicing this facility for last year **2022**.

Be aware that Bio Digesters' working parts i.e. pumps etc. do have a limited life span so **at some time in the future** there will be additional costs as and when replacing expensive parts becomes necessary on top of the servicing charges above.

We propose to correspond with you by way of email and shall be grateful if you will let us have your email address for this purpose. CMC's email address is **cmcdirectors@hotmail.com**

A copy of the above invoice is also available on the CMC Bio Filter Portal. You will also find servicing documentation and all invoices that make up all Bio Filter costs for the previous year[s]. There is also previous correspondence from Thameside Homes Limited outlining your legal obligation as regards to paying your properties equal share of all biofilter costs:

**[www.bit.ly/CMCBioFilterPortal](http://www.bit.ly/CMCBioFilterPortal)**

Please pay your Bio Filter Charge **electronically** into the CMC bank account **by the end of January**. The CMC will not accept cheques or cash as payment. **The responsibility for payment of the bio filter charge lies solely with the owner[s] of the property to which the bio filter is connected.**

If you have any queries regarding your invoice, please contact the CMC Directors using the email above by the 31<sup>st</sup> of December.

Can you please use a reference to identify who the payment has come from e.g. No.3 Bio Filter.

CMC bank account details: **Courtyard Management Company – HSBC**, Leighton Buzzard Branch

**Account Number:** 41559044

**Sort Code:** 40-28-12

Many thanks in anticipation
