Actions for Simon Fraser-Turner

1. If you don't yet have the HSBC UK Business Banking app, visit the App Store® or GooglePlay® store to download and then follow the instructions to activate a new user.
2. Once you've set up the app you can use it as a Digital Security Device to log on to the Business Internet Banking website. The Digital Security Device feature can be found on the log on page.
3. Please ensure you complete the activation within 28 days of creation.

Already have access to Business Internet Banking for another business?

A unique feature of our service is the ability to access multiple businesses from a single username. To add this business to your existing username, you can either go to business.hsbc.uk/activate and follow the on-screen instructions, or you can add the business within the app.

If you require assistance during activation, please [contact our helpdesk](#) .

We will use any information provided to us by the Primary User as explained in our Privacy Notice which also describes data privacy rights including access to, and correction of, personal data. We will link the records of the Primary User with all Secondary Users. A copy of the Privacy Notice can be found at www.business.hsbc.uk  or can be asked for in branch.
